PROGRAM CONDITIONS - Please read below and circle YES or NO next to each item.

Yes	No	I understand that Hope House is a Christian-focused program, and that all residents must desire to keep it a safe and loving place. Hope House is a place for our residents to foster a sense of community, to thrive, to change, and to implement real steps that lead to a restored life. There will be zero tolerance for alcohol/drug use or disrespect of management/staff, other residents, or volunteers. A poor attitude, profanity, discrimination, bullying, physical or verbal confrontation will not be tolerated. Residents must obey authority unless illegal, immoral, unethical, or unsafe.
Yes	No	I am ready to turn from my addictive lifestyle and desire to be healed by the saving power of Jesus Christ.
Yes	No	I will strive to set a good example for others. I will exercise self control and show genuine kindness and respect toward other residents, persons in authority, and the general public in my words, attitudes, and actions.
Yes	No	I understand that Hope House is a med-free environment (narcotics, pain meds, medication for anxiety/depression). Residents may purchase ibuprofen. Medical conditions and/or injuries must be brought to management’s attention. Use of any prescribed medication (e.g. antibiotics) must be approved by the Program Director. Residents must have a current medical physical and TB test completed by Hope House’s designated physician.
Yes	No	I understand that residents are requested to pay the \$300.00 monthly fee by the 1st of each month. Scholarships may be available. I agree that if I am able to pay my support, I will do so. This includes regular monthly income as well as 80% of my food stamps (if eligible).
Yes	No	I understand that Hope House RECOVERY is a closed campus program. Residents are not allowed to leave premises or events without advance approval of the Hope House Program Director.
Yes	No	I understand that, once eligible, I must follow phone usage and visitor/guest processes (see procedures and house rules for times).
Yes	No	I understand that all residents must attend the required church services, classes, and fundraising and mission service activities. I am willing to participate in classes, ministry activities, including working in the t-shirt business shop, general labor (cleaning/landscaping/etc.), serving the homeless and fundraising. Residents must be respectful of Hope House leaders – do not leave/vape during class.
Yes	No	Residents must apply for financial resources if eligible (e.g. food stamps, indigent care). Residents are responsible for their own personal items. Residents will be taken on weekly shopping trips.
Yes	No	I understand that all residents are accountable for the safety of the house. Residents must demonstrate honesty and trust and help create a safe and sober environment. Residents are expected to report to the Program Director any violations or concerns. Failure to do so, by any resident, will be cause for disciplinary action, including dismissal from the program. I understand that program concerns/comments should be discussed directly with the Program Director.
Yes	No	I understand that all residents are expected to focus on their sobriety. I agree not to use any drugs or alcohol. I understand that I will be tested, and that if at any time I fail a test or refuse to be tested, I will be immediately dismissed from the program.

Yes	No	I understand that my personal property is subject to searches while on Hope House property. I understand that my incoming/outgoing mail will be read/monitored.
Yes	No	Each resident must take personal responsibility for Hope House property (house/room, grounds, and vehicles), by keeping them clean and orderly. I will take care of the property entrusted to me; I will daily make my bed and clean up my room, storing clothing appropriately. I will perform the chores as assigned. I will be responsible for my own laundry. I will only eat in the kitchen/dining areas and immediately clean up after myself. I will respect the property of others. I will not smoke in Hope House premises or vehicles; I will discard cigarette butts appropriately. I will use equipment and property properly. I will not bring any type of weapon on to Hope House property. No personal pets are allowed. Thermostats will be regulated by staff. I will turn off lights to conserve electricity. Candles/incense are not allowed. I will respect the property of others. I understand that using another's property without permission will be considered stealing. I agree to comply with and follow all house rules (see ATTACHMENT A).
Yes	No	I will not smoke inside Hope House premises or vehicles. I understand that vaping is only allowed during non-classroom and outside volunteer activities; vaping is not allowed during inside classes/activities or inside vehicles (Hope House/other).
Yes	No	As a Christian household, all residents are expected to only have appropriate pictures/photos on the walls in their personal space. They must also only watch/listen/read to appropriate material (books, movies, programs/music). Music/TV/movie volume must be kept at a level respectful of others living in the house. Secular music is not allowed. Inappropriate subject matter includes PG-13 and R-rated, abuse, sex, drug, profanity.
Yes	No	Residents must wear modest, clean clothing at all times. They must be fully dressed when downstairs.
Yes	No	I understand it is against Hope House policy to borrow or lend to another resident or barter with another resident regardless of the situation. Gambling is not allowed. Hope House is not responsible for lost or missing items. I understand that items purchased by Hope House for general use may not be used for personal use.
Yes	No	I understand that residency at Hope House is a privilege and not a right, and that at any time my conduct, progress, or cooperation with Hope House authorities is not in keeping with the program requirements, I will be disciplined, up to and including removal from the program.

I affirm that all information in this application is true and correct and that no effort has been made to deceive, hide, or neglect the transmittal of any information that is vital to the application process.
